# NEW MODEL WITH ABA KEY CYLINDER!!

RETAINING BASIC PERFORMANCE OF TDX-01,  
A NEW MODEL "TDX-01B"  
NEWLY RELEASED WITH ABA KEY.

Flat-joint structure allows compact folding, enables it to store in scooter's under-seat storage. Designed for the best compatibility with gate-pillar lock, the arm shaft section features high-strength special alloy steel and a riveted structure to ensure superior resistance to forced attack. Additionally, with a one-touch locking mechanism that secures the lock simply by inserting the shaft, realizes a highly practical model that excels in ease of use, security, and portability.

## FLAT BAR LOCK
