## KEVLAR DRIVE BELT

Single cog x Kevlar specification with excellent strength and durability

### Description

Vehicle specific Kevlar belts with double cog belts. By changing the rubber material to a single cog and using super aramid fiber "Kevlar" for the core wire, we have achieved improved strength and durability while reducing costs.

### APPLICATION

PCX125 (JK05)

PCX160 (KF47)

PCX-E:HEV (JK06)

ADV160 (KF54)
