**FOR MAGNA50 MAINTENANCE!
 USABLE FOR LITTLE CUB
 WITH LITTLE MODS ON
 L CRANKCASE COVER GASKET!**

Various settings are available for each vehicle type and specification. Required for servicing crankshafts, clutches, transmissions, etc.

ATTENTION!!

When using on a Little Cub, cut off the red part of the gasket on the left side of the engine (generator side). The cut-out area has perforations, so please use a cutter or similar tool to cut along the perforations.
