- SOLD AS A SET ● COMPATIBLE STOCK NUMBER : 12361-035-000

COLOR	CODE	PRICE
RED	390-1004020	¥3,800
BLACK	390-1004050	
SILVER	390-1004060	
GOLD	390-1004070	

This machined aluminum strainer cap is ideal for dressing up engines. The Mag Strainer Cap has a built-in magnet that magnetically attracts and adsorbs iron powder mixed with oil circulating in the engine, keeping the engine oil clean.

A cap with a built-in magnet magnetically attracts and adsorbs iron dust in the engine.

Use a 19 mm socket wrench or similar tool to remove the mag strainer cap.

WIRE LOCKABLE (2PLACES)

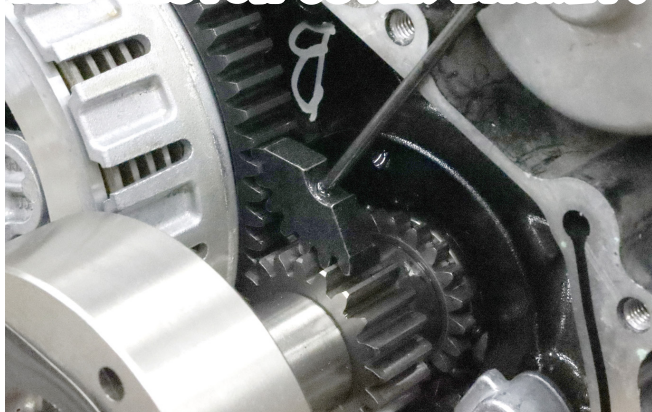

Magnetic force capable of attracting more than 100g of metal!

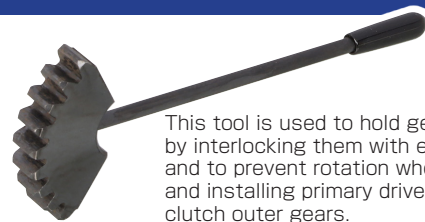

MAGNET REMOVABLE /

**MAINTENANCE RELATED ITEMS**

**REMOVING/INSTALLING PRIMARY GEAR AND CLUTCH OUTER BASKET!**

**GEAR HOLDER**
